

DOLLE CALGARY Ø120 GREY

SPIRAL STAIRCASE Ø120 IN GREY WITH MULTIPLEX BEECH STEPS

DOLLE spiral staircase is in Nordic design and has a nice, tight and stylish appearance. The stairs are grey and with 11 steps in multiplex beech that will match most Scandinavian homes.

The spiral staircase stands as a stylish and harmonious sculpture in the middle of the home, and also functions as an essential link in the home's infrastructure, where the upper and lower floors meet.

CE approved - according to EN 1090 / EU Construction Products Regulation
